

ICERE 2025

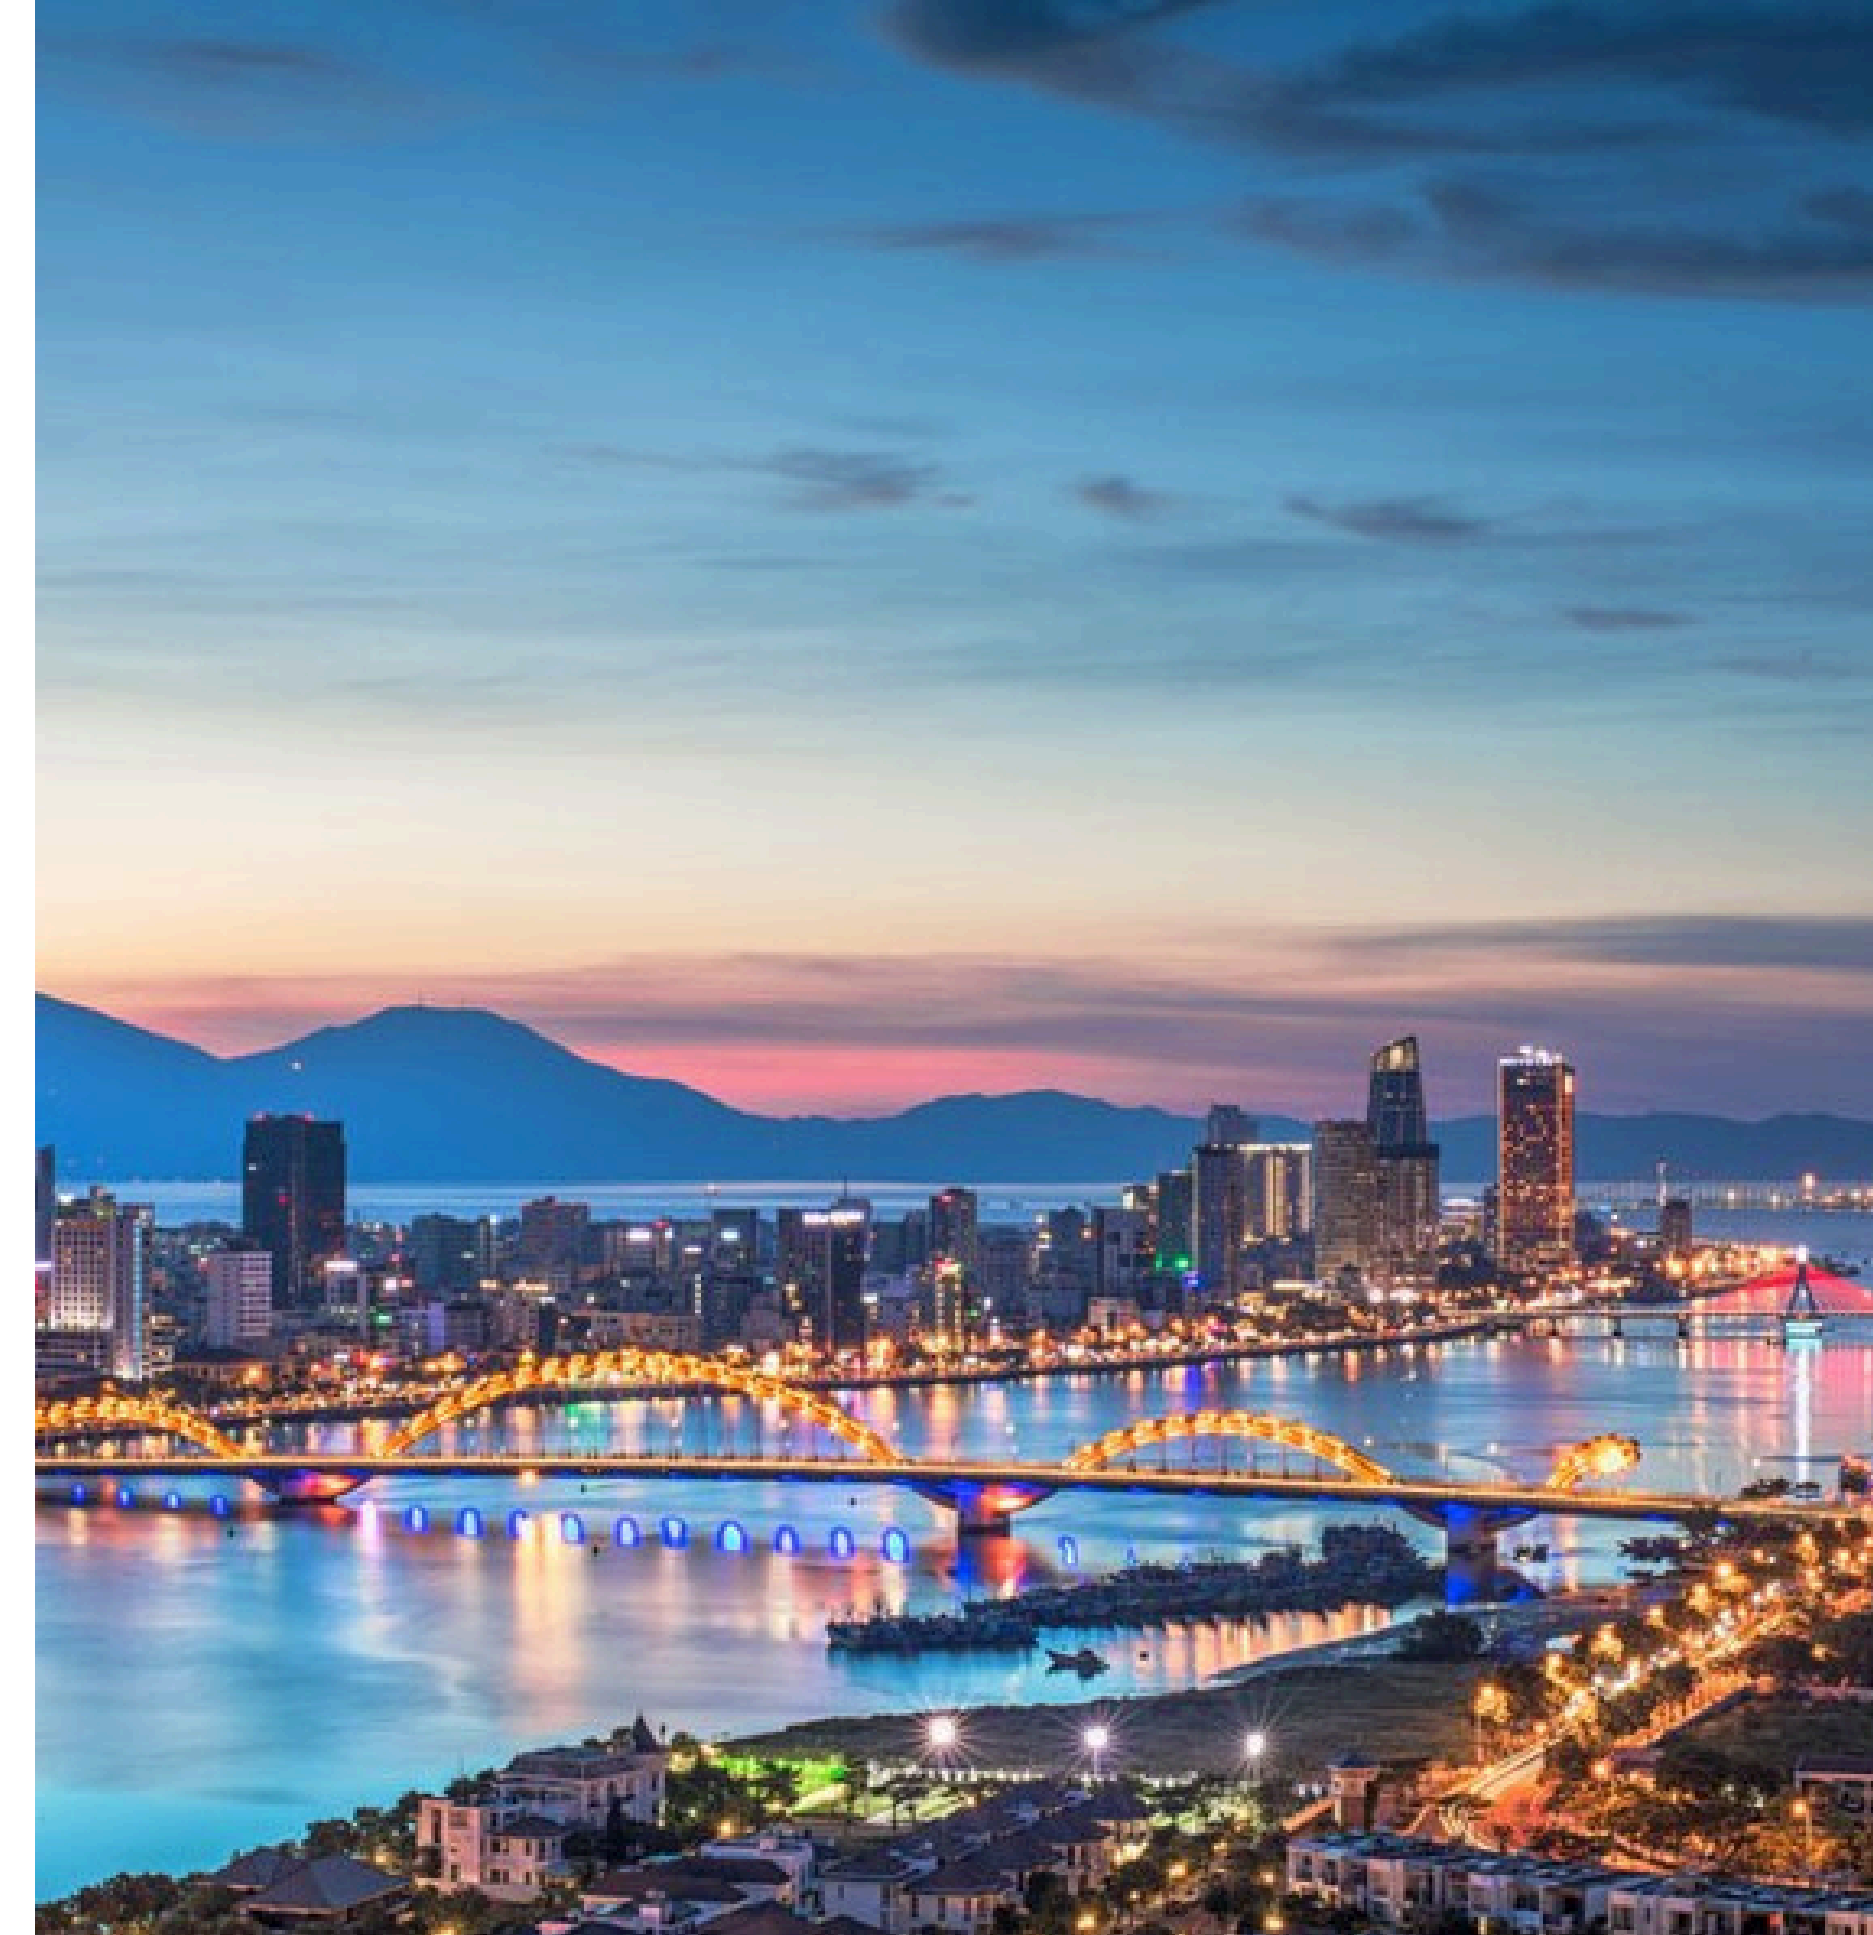

February 21-23, 2025

Da Nang, Vietnam

**2025 11th International
Conference on Environment
and Renewable Energy**

Papers submitted to ICERE 2025 will go through peer reviewing process by international experts. Only accepted papers will be published into E3S Web of Conferences (Open Access proceedings in Environment, Energy and Earth Sciences). The proceedings will be sent to Scopus and other databases for abstracting and indexing.

ICERE2024 ► E3S Web of Conferences (Open Access proceedings in Environment, Energy and Earth Sciences) ► Scopus
ICERE2023 ► Springer Book Series-Springer Proceedings in Earth and Environmental Sciences ► Scopus
ICERE2022 ► IOP Conference Series: Earth and Environmental Science ► Volume 1121
► Scopus

CALL FOR PAPER

Session A: Environmental Science and Engineering Environmental Materials

Hydrology and Water Resources Engineering
Architectural Environment & Equipment Engineering
Soil and Water Conservation and Desertification
Cultivation and Conservation of Forest

Session C: Clean and Renewable Energy

Development and Utilization of Wind Energy
Photovoltaic Systems and Solar Energy Engineering
PV manufacture, testing and certification
Environmental impact assessment
New Energy Vehicles, Electric Vehicles

Session E: Environmental Ecological Engineering

Global environmental change and ecosystems
Environmental restoration and ecological engineering
Landscape degradation and restoration
Satellite applications in the environment
Environmental systems approach

Session B: Management of Ecosystems, Environment and Water Resources

Watershed/ River Basin Management
Wastewater Discharge Management
Water resources and river basin management
Wastewater and sludge treatment

Session D: Treatment/Restoration of Ecosystems, Environment and Water resources

Wetlands for Wastewater Treatment
Ecosystem Restoration
Hazardous Gas Biofiltration
Soil Restoration/ Phytoremediation

Session F: Resources and Environment Engineering

Optimization of collection systems
Technical aspects of treatment and disposal methods
Legal, economic and managerial aspects of solid waste
Management of hazardous solid waste
Interaction between pollutants

Important Dates

Submission Deadline
January 05. 2025

Notification Deadline
January 20. 2025

Registration Deadline
January 31. 2025

Conference Date
February 21-23, 2025

Submission Method

Submit your full paper or abstract through the Electronic Submission System: <https://confsys.iconf.org/submission/icere2025>
